Additional Information

New 2nd/3rd/4th copies

PowerCADD is supplied at a special price for additional copies once you have one current (pc6) license. But this does not include CD or manual. Only an install code and dongle.

PowerCadd 2000 to 6 upgrades

PowerCADD 2000 upgrades are supplied without a dongle. You need a new Wibu dongle to work with OSX. If you already have a Wibu you only need the software upgrade. If you have an old style dongle (microguard) you need to upgrade your dongle also. A dongle is shipped with all other upgrades

Multi Pack Upgrades.

A multi pack is 5 copies or more. Upgrades are supplied with 1 manual per 5 copies. If you have a Multi Pack of PowerCADD a minimum of five copies must be upgraded at the same time. Dongles, please refer to note above.

Additional Copy Upgrades.

Additional copies, 2nd 3rd etc. A discount of 15% is available but you must upgrade all your copies of PowerCADD at the same time to receive the discount. Dongles, please refer to note above.
